**DIRECTOR OF DESIGN AND CONSTRUCTION.**

We are seeking an experienced individual to manage all phases of design and construction for a private undergraduate women's college with a large endowment. This is a permanent position to oversee extensive innovations to begin this year, and to manage a long-range expansion program for facilities on a 1,300-acre campus in a rural setting. New construction to include a 1 million-square foot athletic facility, 50 classrooms, and in the near future dormitories and additions to the library are also possible. Candidates must have 5+ years' management experience in a design and construction setting. Fundraising and/or grant writing experience are desirable.

Job involves overseeing all design and construction work, hiring and evaluating staff, meeting with alumni and other donors, reporting on progress of current and future projects to the Board of Trustees, managing budgets, and assisting with fund raising related to innovation and expansion projects.

Rosewood College is located in a peaceful and scenic setting in the foothills of the Graystone Mountains, 20 minutes from the town of Litchfield and one hour from Londonderry. We offer a competitive salary, health insurance, life insurance, paid vacations, tuition benefits, unlimited use of all college facilities, and we will cover all relocation costs.

Please send résumé, names of three references, salary requirements to J.W. Bostic, Human Resources Director, Rosewood College, Norton, IL 24870. Closing date: March 17.
